REQUEST FOR CERTIFICATE OF CORRECTION

Sir:

Pursuant to 35 U.S.C. § 254 and 37 C.F.R § 1.322, the patentee requests a Certificate of Correction for the above-identified patent to correct the errors listed on the enclosed Certificate of Correction form PTO/SB/44.

The errors in the issued patent are believed to have been incurred through the fault of the Office. An Examiner's Amendment was entered on August 16, 2005. However, none of the changes were reflected in the issued patent. Further, the Fee(s) Transmittal Form portion (PTOL-85) of the Notice of Allowance correctly reflects "Aventis CropScience GmbH (DE)" as the assignee. However, the issued patent lists "Aventis CropSciences GmbH (DE)" as the assignee.

U.S. Patent No. 6, 939,882 B1
Request for Certificate of Correction of December 19, 2005

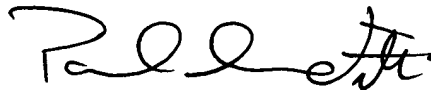

Correction of these mistakes does not involve such changes in the patent as would constitute new matter or would require re-examination.

FEE CALCULATION

No fee is required for this request, because the errors are believed to have been incurred through the fault of the Patent Office.

In the event a fee is required, the Patent Office is authorized to charge the underpayment to Deposit Account No. 15-0700.

Respectfully submitted,
